MEMORANDUM FOR: Director of Central Intelligence

FROM: SA/DCI/IA

SUBJECT: Topics for Your Meeting with Judge Clark,
16 April 1983

1. The following topics are on the agenda for your meeting tomorrow:

- DCI Trip. Clark is interested in a report on your trip [redacted] I have included 25X1 a copy of your itinerary as a reference for your discussions. You mentioned Afghanistan, insurgency and Islamic fundamentalism as topics you wished to cover.
- Thai/Kampuchea Border. [redacted] 25X1
[redacted] suggested you give your assessment 25X1 of the border situation. I have included cables on [redacted] assessing 25X1 the impact of the fighting. You may wish to impress on the Judge the value of the quick response given to the Thai request for increased military support.
- Congressional Hearing on Central America. The Judge will probably be interested in your experiences on the Hill and your views on where we go from here. 25X1
[redacted] 25X1
[redacted] I have included Constantine's 25X1 memo on the need for more active US diplomacy in Central America.
- The Third World. You said that Bob Gates' memo "Meeting the Soviet Challenge in the Third World" would be of interest to Judge Clark (copy enclosed).

2. Other topics you may wish to raise:

- Items Suggested by DDCI. John McMahon has suggested you raise with Clark the following points. (I believe you are up to speed on each of these; no materials are included):
 - ✓ Spear carriers around JCS trying to get PDB for Vessey. May try to finagle through Poin-dexter. Suggest we alert Clark to discourage.
 - ✓ It looks like de Graffenreid and Codevilla are attempting to grease skids to have SSCI encourage a Presidential Commission on CI with eventual purpose of establishing CI czar. We should kill it before the brown shirts arrive.
- State as a National Security Agency. OMB has not acted on the proposal. You may wish to encourage Clark to remind Stockman of this.
- Kohl Visit. The DDI asks: Is there any feedback Judge Clark can give us on Helmut Kohl's visit?

3. Please let me know if there are other topics you would like to discuss.
